Registrants

Please fill out the following information for all dependents whom you wish to register. List subjects in which the child needs support in order of preference, for example, “English, Math”, identifies that the first preference is an English tutor, and the second preference is a math tutor. If the child has an email on which you wish them to be contacted, please list that, if not, please write “N/A”.

Disclaimer

Tutors at *Starts With One* are limited due to this being a volunteer opportunity. As such, there is no guaranteed time by which the team at *Starts With One* will be able to match your child or children with a tutor. Upon registration, your child or children will be placed on a first-come-first serve waiting list. Parents or guardians are contacted when a tutor, whose educational background aligns with your child’s subject preference, becomes available. *Starts With One* offers small group lessons in the summer, please ask our team about eligibility and program space if you are interested in enrolling your children in the summer.

By signing below, you confirm that the information you have listed above is accurate and that you have read and understood the disclaimer.
